

## Let's Talk

How many times must you look away, I can see you,  
Oh, I can see you.  
How many times must you hide away, I look for you,  
Oh, I look for you.

Let's talk, let's talk,  
Let's talk awhile,  
Let's talk, let's talk, I wanna smile,  
Let's talk.

When did you start losing your heart for me, I care for you,  
Oh, I care for you.  
All this time we've been wasting away,  
I'll wait for you,  
Oh, I'll wait for you.

Let's talk, let's talk,  
Let's talk awhile,  
Let's talk, let's talk, I wanna smile,  
Let's talk,  
Let's talk,

You always get mad when I love your ways,  
I can still feel you,  
Oh,  
Now you know what I have for you,  
Now you can decide, decide, decide.

Let's talk, let's talk,  
Let's talk awhile,  
Let's talk, let's talk, I wanna smile,  
Let's talk.

Let's talk!  
Let's talk!  
Let's talk!
